East Kempsey

On the Edge of Town!

Hard to believe you can find such a magical location which is less than 5 minutes to the CBD! Approximately 40.33 Ha (100 Acres) vacant parcel of land which is mainly cleared except for shade and a small timbered area, elevated home-site overlooking most of the property, small dam with windmill, tank and trough and established pastures. Fenced into several paddocks, and with access from a private country lane, this block is ideal as a grazing block or a great spot to build your own home, only a short drive (or long walk!) from the centre of town!
