661 Austral Eden Outer Rd, Austral Eden

What a location!

Back onto the rental market is this large home at Austral Eden right on the river. It is a perfect location for anyone working in South West Rocks or Kempsey as it is basically half way. It has three bedrooms and an ensuite plus a separate family room that could be an office or extra bedroom.

There are verandahs all the way around so it is a great spot to come home from work and enjoy an afternoon drink and take in the river views. There is a single garage for your vehicle too. You are only leasing the house block as the rest of the acres aren't included and it is a working cattle property.
