These tasks can be hard work, and time consuming. And if you're retired or live a busy lifestyle, you can no doubt think of more relaxing activities to do and better things to spend your money on. The key to low-maintenance living is to find a home that's carefully designed to be fuss-free, both indoors and out, and here it is this lovely 3 bedroom (all with built in wardrobes) Brick veneer home sits in a great flood free location in a good street in West Kempsey. The home enjoys good size lounge room and kitchen, is air conditioned and a single lock up garage with remote door.
