Unique Investment Opportunity

Set high in West Kempsey this stylish old weatherboard home, converted to two separate 2 bedroom flats, offers a unique and high yielding residential investment with two income streams, both from long standing tenancies with plenty of potential for further returns. The building has been well maintained and sits on a large imposing corner block, only a short walk to schools, sporting fields and both West and Central Kempsey CBD's. A great way to step into the real estate market, or a high performing addition to your existing portfolio.
