37 Plummers Lane, Clybucca

Just back onto the rental market

Just back onto the rental market is this farm house at Clybucca. If you are wanting to live out of town this cottage is well priced for an older couple or young family. There are three good size bedrooms, separate living room and a big eat in kitchen with a new stove. The yard is well fenced and should be easy to care for too. The rent is very affordable and will suit the family wanting to reduce their expenses. Inspection is recommended and definitely no pets are allowed. You are only renting the home and the fenced house block as the rest of the acres aren't included.
